TRANSPORTATION SERVICES INC.
TRANSPORTATION
MADE EASY
Meeting the transportation needs of our
clients with unmatched service.

ABOUT US

- Established in 1986, ITG continues to grow as a transportation services provider.
- ITG has grown from 60 staff members in 2014, to over 150 as of January 2022. We have also recently opened a second branch office in Henderson, Nevada.
- Our reliable and expanding network of over 2,200 carriers allows us to provide our customers with unrivaled capacity and availability.
- Our expert staff draws upon years of experience working with shippers, steamship lines, NVOCCs, and freight forwarders.
- Whether it's a long haul or a local move, ITG is here to help. As a Licensed Freight Broker, we provide first-rate service throughout the United States - from the initial rate request to the final delivery.

ITG TRANSPORTATION SERVICES INC.

OUR SERVICES

- Container Drayage From Every Port and Rail Ramp In The U.S.
  - ITG offers container drayage services from all US ports and US inland rail ramps.
  - Chassis, triaxle, and spread-axle can be provided when needed.
  - Specializing in international freight, our carrier network maintains interchanges with all steamship lines.
  - Hazardous and customs-bonded shipments can also be arranged.

- Nationwide Domestic Freight Services
  - Expedited Domestic Freight
  - FTL Dry Van, Straight Trucks and Sprinter Vans
  - Flatbed, Step Deck and Double Drop and Oversized Cargo
  - FTL Airfreight Import

OUR SERVICES

- Transload Services
  - Take advantage of lower one-way rates since the driver and chassis don’t need to return to origin.
  - Team drivers create an even greater opportunity to expedite hot shipments.
  - With trailers being 53’ and containers either 20’ or 40’, you may be able to reduce the number of trailers for final delivery.

- Container Sales
  - ITG can arrange the purchase of international and land storage containers.
  - We offer survey reports with the purchase and can arrange transportation to your facility.

- Online Pricing
  - ITG provides online drayage rates for all major cities in the United States at **rates.itgtrans.com**
  - The online pricing tool provides our customers with access to a continuously growing database of over 800,000 unique lanes covering every major market in the continental United States.
